# Spirituality Now

## The spiritual path

Many have been travelling for years, whilst others are now awakening to the inspired living that awaits them. We're all bombarded with new directions to take, things to consider, books to read, changes to make, workshops to attend! It's tempting to think that Spirituality Now is only for those who can devote hours a day to self improvement, like monks or other lifetime devotees.

What about the rest of us? What does it mean to us?

### Questions like these arise:

- How can we build on our current experience and allow necessary change to occur?
- What are the key essences to creative living?
- What does spirituality offer me now?
- Where can I find support for my life journey?

## What this workshop offers

Through a combination of short presentations and experiential exercises, you'll embark on a day long journey sharing practical spiritual tools to take you into your future with confidence.

### Discover

- How to celebrate the present moment
- How to change the story of our lives
- The starting points for all creative cycles
- Support that we haven't seen
- Deep appreciation for spirituality—now.

**Ruth French** began teaching over 40 years ago! She's had a varied life, including teaching in prison as well as classroom and bush settings, working with World Vision and in a Whole Health Clinic, and catering.

Her spiritual journey is still unfolding, and has seen her touch into many traditions. In recent years Ruth has lived at "Riverdell", the Emissary intentional community near Gawler SA.

**Andrew Horwood** is a workshop leader, speaker, mentor, medical practitioner, poet, husband, father & son. His passion is for each person to discover and express the majesty they hold within themselves.

He lives and works at Riverdell with his wife Lyell. He loves using medical encounters to enable people to awaken to their magnificence.

**The Emissaries (SA) Inc** is affiliated with the Emissaries of Divine Light International. We are a group dedicated to allowing the transformative power of spirit be known in all the moments of life. The Emissaries practice this through community life, worship, attunement and spiritual education. We also operate the Riverdell Spiritual Centre, a conference and retreat centre for small groups offering like-spirited activities.
