About Us

The Emissaries (SA) Inc is a not-for-profit association, affiliated with Emissaries of Divine Light International.

Along with our programs, we operate the Riverdell Spiritual Centre, a 4 1/2 hectare conference and retreat centre for small groups based near Gawler, SA.

Mission

The Emissaries (SA) Inc is an association of people committed to empowering and transforming daily living through expressing qualities of Love and Truth.

We serve by generating an inspiring environment and activities that encourage spiritual growth, including Attunement, Education in Life's principles, Community, and Worship.

Karrawirra

Is a local Kurna word, meaning "redgum forest". It was chosen in honour of the original custodians of the land on which the building is located, the Kurna people, and reflects the redgums which grow along our Northern boundary, the Gawler River.

The Karrawirra building is a modern three bedroom transportable self-contained home overlooking the River, with undercover parking for 4 vehicles, and ample space for additional vehicles. Filtered rainwater is on tap, & a whiteboard, screen & CD player are part of the Teaching Space. The meeting / teaching room seats up to 20, with kitchen / dining area adjacent, 2 showers & toilets and 3 carpeted, comfortable bedrooms (twin share), all with air conditioning, heating, natural light & overhead fans. Disabled access.

We also have a variety of outdoor areas available to enhance your workshop—the Dell, lawn, spiral walks, & walking tracks.

Please let us know if you would also like to experience Attunement, our spiritual alignment technique.
